# PMI-ACP® *Blended-Learning* 1-Day Exam Prep
On-Demand + Instructor-led <u>*1-Day*</u> • 28 Hours / 28 PDUs • *100% Guaranteed!*

Expert Agile content integrated with materials based on the *Project Management Institute, A Guide to the Project Management Body of Knowledge, (PMBOK® Guide) - Sixth Edition, Project Management Institute, Inc. 2017*, for comprehensive preparation for the PMI - Agile Certified Practitioner (PMI-ACP)® exam.

The PMI-ACP® is the *fastest growing certification* in PMI history with more than 18,000 certification holders. This is <u>not</u> a fad! It is the <u>new</u> <u>reality</u>!!

Employer demand is driving career opportunity. Being a PMP® gets you the *interview*, but knowing Agile gets you *the job!* The good news is that most PMP®'s are <u>more</u> qualified than they realize. You may not be using Scrum *vocabulary*, but you are using *core Agile practices* like Rolling Wave Planning, Progressive Elaboration, and Decomposition.

Study for your PMI-ACP® certification anytime, anywhere, on-demand *at your convenience*, with a *100% Money-back* so if you don't pass on your *First Try* you get your money back … **Guaranteed!* (*Guarantee is good for 12 months from date of class.).

WHAT OTHERS ARE SAYING:

- "I am completely new to Agile and was impressed with how much translated to my daily work! My company will love the training I will deliver during my debrief." *Dylan F., APCI FCU*
- "The Roadmap exercise will keep me on track while using Agile and to pass the exam. Thanks!" *Cheryl M., Century Link*
- "The knowledge base behind each topic added depth that complimented a much broader focus than just software. Just excellent!" *Jamie L., US Army*
